

**GLCACS CHINESE-AMERICAN CHEMICAL SOCIETY  
GREAT LAKES CHAPTER**

**Dear Scientists and Engineers:**

Would you like to understand sustainable life cycle? Are you interested in exchanging ideas and views with peers? Do you want to establish or enhance your professional network? If you answered “yes” to any of these questions, you should attend the **15th Annual Conference of the Chinese-American Chemical Society, Great Lakes Chapter (GLCACS)**.

GLCACS is a local chapter of Chinese-American Chemical Society (CACS) representing the Chinese-American chemists and chemical engineers in Illinois, Indiana, Wisconsin, Michigan, Minnesota, Iowa, and Ohio. CACS is the only Chinese-American professional organization that is officially recognized by both American Chemical Society (ACS) and the American Institute of Chemical Engineers (AIChE).

Mark your calendar for this special event! Attached is a program overview of the conference. The program details will be announced soon. Please visit GLCACS website at [www.greatlakecacs.org](http://www.greatlakecacs.org) or contact the following organizers for registration or more information.
